CORPORATE
PROFILE

I AM THE PROTECTOR

Southern Security Guard Agency (SSGA) has been one of the pioneer in the Indian private security and facilities management industry.

It was founded in 1983 by **Mr Prabhakaran Ramasamy**. SSGA has endeavoring to provide best services to its customers through innovation, commitment to quality, training and strict compliances to international standards for more than 35 years with 1000+manpower inclusive of 250+ Ex-Servicemen across Tamilnadu. We provide our services to private and government sector undertakings, banks, including residential areas et. We have well trained supervisory staff who are experienced and highly disciplined.

Further, our team deputed from the head office will be patrolling each and every unit periodically once or twice in a week. Statutory requirements with regard to benefits to our resources, we fully comply with EPF, ESI, Group Insurance, Fidelity Insurance, etc.,

SUPERVISION

Supervision is one of the most critical aspects inservicing a security program. it requires disciplined personnel and quality management. At SSGA supervision programs allows us to maintain the highest levels of employee job performance. Quality supervision is ensured through out 24-hour service, field supervisors, customer service representatives and executive level personnel.

TRAINING

All security guards are required to meet the minimum training standards. However, all security personnel employed in SSGA must complete additional comprehensive training in such areas as Uniform Appearance and Upkeep, Evidence Handling and Report Writing, Communications, Community Realations Ethics, First Aid, Fire Fighting, Hospitality and Event staffing.

BUSINESS PHILOSOPHY

Team Southern, has earned a following of loyal customers based on its commitment to integrity, professional excellence and sound business acumen. We are fully aware that every client is unique and requires an individual approach. Our philosophy is according to their organizational needs. At Team Southern, customer satisfaction is paramount.
